Docket No. 8075-1022 Appln. No.10/563,555

## REMARKS

Responsive to the requirement for restriction, the applicants elect Group II, in which a linear light-emitting element has a plurality of light-emitting regions formed in the longitudinal direction.

The corresponding claims are claim 2-25.

Non-elected claims 1 and 26-41 are cancelled herewith, but may be made the subject of a divisional application, to be filed at any time during the pendency of the present application.

The proper multiple dependency of claims 3-5, 7-11 and 13-23 is also corrected.

An action on the merits of the elected claims is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future submissions, to charge any deficiency or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
